reaching out for a violence free society

January 8, 2016

Dear Mr. Freiler:

Thank you and the Elks Association for the donation of \$300.00 for The Network Against Domestic Abuse. We truly appreciate your support and it helps us to provide free services to victims of domestic violence.

Without the generosity from donors in our area we would not be able to work on the mission that is so important to us.

Sincerely,

A handwritten signature in black ink that reads "Kathy".
