On behalf of the Danielson Veterans Coffeehouse I personally wish to thank you and the CT Elks Association for your generous donation of \$400.00 to the Danielson Veterans Coffeehouse. It shows how committed the Connecticut Elks are in being an involved partner in our community. To the Danielson Veterans Coffeehouse, it is heart warming to see that the members of your local lodge recognize and support our mission to help and support veterans in the Northeast corner.

Thank you again for your thoughtfulness, and we wish you and the members of your lodge a most joyous and wonderful holiday season.

Sincerely,

Fred Ruhlemann

President
